

2A-1C Hoisting License Prep Course

Thursday, April 12 8AM-4PM

Richard Cronin Building
Massachusetts Division of Fisheries and Wildlife
1 Rabbit Hill Road, Westborough MA

If you operate equipment in Massachusetts that is capable of raising 10 feet or more and either, has a 500lb capacity or more, or holds over 1/4 yard of material, the state requires you to be licensed. The 6 hour 2A-1C Hoisting License Preparation course prepares you for the Massachusetts Hoisting Engineers License exams.

Space in these classes is limited and requires prior supervisor approval.

How to Register: Contact Tom Tagan for a registration form at Francis.Tagan@MassMail.state.ma.us by Thursday, April 5
